

# Dr. Doran's Collision Survival Guide

What To Do If You're In An Auto Accident

## Do's & Don'ts following a car accident:

### DO:

- Stop immediately.
- Assist injured people.
- Call an ambulance, if necessary.
- Notify the police immediately.
- Give all the facts to the police.
- Take notes (**Use this card!**).
- Take pictures of the scene, if possible.
- Visit Dr. Doran, DC for treatment of your injuries AND to prevent problems from developing later.

### DON'T:

- Don't leave the scene unless you must go to the hospital.
- Don't try to move injured people.
- Don't discuss the accident with other drivers.
- Don't give opinions to the police.
- Don't take responsibility for the accident.
- Don't discuss your injuries with anyone until you have been examined by a doctor.
